

INFORMATION ABOUT THE CORONAVIRUS TEST

The Coronavirus test is free.

Please present your Medicare card and Drivers licence

Or,

Another form of identification, for example, passport, transport concession card or student ID.

There might be a short wait until you get to the testing tent.

The test takes around a minute and involves taking a sample swab from the back of your throat and nose.

Test samples will be taken by a trained healthcare worker, usually a Nurse.

Once the test is complete, your sample is sent to a laboratory and tested to see if you have Coronavirus.

Dorevitch Pathology is the pathology service for this clinic.

You will be informed of your results by phone or SMS by Dorevitch Pathology, or Banyule Community Health.

It usually takes 5-7 days to get your results after being tested. Sometimes there are delays and it can take longer. We apologise for any inconvenience caused and thank you for your patience.

What happens next?

You have been screened for Coronavirus. Your results are being processed by: Dorevitch Pathology.
