

# Workplace Recognition Award

*Workplace Recognition Awards have been established to formally acknowledge exceptional work at Banyule Community Health. The awards, aligning with our values, are nominated by staff to shine a light on those who live the values in their daily work.*

**September 2023**

**Dignity** in everything that we do.

## **Madison Guven- LiFT Mental Health Nurse**

In recognition of Madison's genuine care and unwavering commitment to her clients. She was observed by many colleagues responding in a manner that demonstrated incredible dignity to a client and their carer whilst in an incredibly challenging situation. Madison's natural leadership shined in this moment. Whilst much of her work is done quietly and in confidence, this moment enabled colleagues from across the organisation to witness her skills up close.

**Quality** matters.

## **Olya Pavlyshyn - Team Leader Referral & Intake**

In recognition of Olya's leadership to manage a continually changing environment with incredible knowledge and care. Her team see her informed, empathic approach in every connection she has with a community member or a staff member. Olya ensures people are heard and then access the appropriate supports with great compassion and respect.

It takes **Passion**.

## **Marilena Di Cocco – Dietitian**

In acknowledgement of Marilena's crucial longstanding role as a Dietitian in the Community Health sector. Her commitment to person centred care is authentic and natural in her work with clients. Marilena is a mentor to many bringing high level skills and a commitment to supporting our clients who experience vulnerability. Colleagues observe Marilena's passion for her role and the commitment to working across teams in the best interests of client needs.

*"Madison, Olya and Marilena are great examples of our purpose and values in action. We thank them for living the values of Banyule Community Health and we recognise their contribution to our community."*

*Mick Geary, CEO Banyule Community Health.*
